The meeting was called to order at 7:08 P.M.

Chad presented to the board an opportunity to purchase a used 2017 Ford Explorer police patrol vehicle from the village of Catlin Illinois. Chad and Chief Dingler had gone and looked at the vehicle and determined it would be a good purchase. Chad spoke with Downs Mayor Mike James and it was agreed to approach both the Arrowsmith and Downs board with both communities going in to each pay half of the \$12,500 that was being asked for the vehicle. The board felt this was a good investment and decided to move forward with paying half the cost of the vehicle.

Chad asked for a motion to approve \$6,250.00 to be paid to the Village of Downs to cover half of the cost of the used patrol vehicle.

Taryn Cross made a motion and it was seconded by Cheryl West.

All in favor: Cheryl West, Taryn Cross, Brent Beyer

Opposed: None

The meeting was adjourned at 7:13
